### Bicentennial Bulletin Blurbs-

March 15-16: On March 18, 1958, Trappist priest Thomas Merton was visiting Louisville from his home at Gethsemani. As he stood at the central downtown intersection of Fourth and Walnut Streets, he had an intense experience with the crowds he saw there. Later he would write in *Conjectures of A Guilty Bystander*: "In Louisville, at the corner of Fourth and Walnut, in the center of the shopping district, I was suddenly overwhelmed with the realization that I loved these people, that they were mine, and I was theirs, that we could not be alien to one another...I have the immense joy of being a person, a member of the race in which God himself became incarnate....If only everyone could realize this. But it cannot be explained. There is no way of telling people that they are walking around, shining like the sun."

*Serving God's People Yesterday, Today, and Tomorrow*

## Dear 8th Grade Parents,

We will hold a **very important** meeting on March 19, to discuss the video and activities for the students at graduation. The Gatlinburg trip will also be covered in detail. We will explain what your child will need to pack and give you parents a copy of the final agenda. You will need to email Laura Lyons, ([l.lyons@insightbb.com](mailto:l.lyons@insightbb.com)) by next **Wednesday, March 12** with the name of anyone accompanying your child on the Gatlinburg trip. If no one is accompanying your child, please email her with that information as well. Right now the approximate cost is \$230 per person. If we can get the correct final number attending by next week, at the meeting on March 19, we can give the exact amount the trip will cost. Please try to have a parent attend the meeting, we have a lot of time sensitive issues that we need to cover. Thanks, 8<sup>th</sup> Grade Parent Committee
